Accompanying Persons Programme 30th July

Participants will visit Yajiro Kokeshi Doll* Village. Participants will be enchanted by the adorable atmosphere and the handmade craftsmanship. In addition, participants will enjoy **fruit picking**, especially the taste of seasonal **peach** in the city of Fukushima.

*Kokeshi Doll - cute-looking souvenirs resembling Japanese people in traditional wear
Kokeshi dolls are mostly used as children's toys, they are also symbols of hopes for bountiful harvests, wishes for good luck and fortune, and great appreciation for craftsmanship and culture.
